

TENET HEALTHCARE DALLAS, TEXAS

PROJECT OVERVIEW

Tenet Healthcare consolidated its Dallas-area operations and relocated their headquarters to International Plaza I, signing a lease for 392,201 SF. The long-term lease for the entire building was one of the largest leases closed in North Texas within the last decade. The deal received significant press and was nominated for multiple awards, including D CEO's 2020 Commercial Real Estate Award for Best Office Lease. Novom Group partnered with Guidon Solutions and Perkins + Will to design and manage the cable infrastructure, security, and audiovisual for the project. Construction duration lasted a total of 32 weeks.
